Rone Joins NSLP Business Development Team

Expert in student loans will cover North and South Carolina

(July 21, 2005) – NSLP is pleased to announce that Jeni Rone will serve as Regional Director of Business Development for schools and lenders in North and South Carolina.

Rone is well-known in the southeast for helping colleges select products and use technology to enhance their financial aid processing. In addition, she will also provide expert, on-campus resources and assistance to colleges that want to assist their students with financial literacy.

Rone was previously with *Nelnet Campus Solutions*, where she worked with schools in North Carolina, South Carolina and Virginia. Before that, Rone managed student loan marketing and disbursements in Florida for a national student loan lender, and also provided on-campus debt management counseling for college students.

“Jeni has a lot of experience helping colleges select the right financial aid tools,” says Rod Langel, Vice President of Business Development. “And she understands the needs of student loan lenders, too.”

Rone is an active member of SCASFAA and NCASFAA, where she served on numerous committees. She is also a member of SASFAA and NASFAA.

Her office will be located in Mount Pleasant, South Carolina. For more information about other members of NSLP’s Business Development Team, visit <http://www.nslp.org/busdev.htm>.
